## EDUCATION

### Bachelor of Technology

GF's Godavari College of Engineering, Jalgaon

07/2019 - 07/2023

8.03

B.Tech

• Mechanical Engineering

### Higher Secondary Education (HSC)

Sardar g.g. High School & Jr College , Raver

07/2018 - 06/2019

65.23

### Secondary Education (SSC)

Sardar g.g. High School & Jr College , Raver

06/2015 - 06/2015

72.80

## INTERNSHIP

### Java Developer Intern

CodSoft

08/2023 - 09/2023

Online (WFH)

A research and education-based startup to gain real world project knowledge.

Achievements/Tasks

- Design and implement Java application codes
- Conduct software analysis, testing, programming, and debugging.
- Fulfilling tasks set out by the company which assign to me.

Contact : (<https://codsoft.in>)

### Java Developer Intern

Oasis Infobyte

09/2023 - Present

Android Development, Cloud & Infrastructure, Data & Analytics, Cyber Security, and Generative AI

Achievements/Tasks

- Gained hands on Java development experience at Oasis infobyte, Focusing on coding, teamwork, and problem solving.
- Developed a strong foundation in java programming enhancing skills in object-oriented design , data structures , and algorithms, Which resulted in the successful implementation of multiple software solutions .

Linux

Linux Commands

## PROJECTS

### Bank Application System (12/2022 - 05/2023) (12/2022 - 05/2023)

- The java program developed to implement bank functionality.
- It is based on concepts of OOPs like Inheritance, Encapsulation, Abstraction and Collection Framework , Exception, String Handling with advanced java topics

### Military Spying Robot (10/2022 - 04/2023)

- In this system mine disposal technicians and mission controllers with a number of challenges including high risks in it
- The Controller will be programmed with the help of the Embedded C programming.

## SOFT SKILL

Leadership

Communication

Quick Learner

Hardworking

## CERTIFICATES

### International Journal of Innovations in Engineering and Science (01/2023 - 05/2023)

Published paper in "International Journal of Innovations in Engineering and Science" on the development of a military spying robot, showcasing contributions to cutting-edge technology in surveillance and autonomous systems. (<http://ijies.net/finial-docs/finial-pdf/1605238513.pdf>)
